Sort Center Fulfillment Associate Part-Time

We need bright, motivated, hardworking individuals to fill Part Time Associate positions. The ideal candidate possesses a strong work ethic, attention to detail, the ability to meet deadlines, and a commitment to customer service as it relates to product fulfillment.

Fulfillment Associates may be required to receive products using radio frequency scanners and relocate products using powered-equipment (i.e. forklifts, pallet jacks, cherry pickers, and walkie-riders). They also may also be required to pick customer orders on all levels of a multi-level mezzanine, pack and ship customer orders, receive product and troubleshoot problems to resolution.

Fulfillment Associates are expected to understand aspects of production; adhere to strict safety, quality, and production standards.

Work Environment

• Work with and/or around moving mechanical parts
  • Noise level varies and can be loud
• Temperature in the fulfillment center may vary between 60 and 90 degrees, and will exceed 90 degrees at times
  • Very fast-paced environment
• Part time shifts can vary from 20 to 29 hours per week

Additional Job Elements

• Demonstrates positive work attitude and leadership skills
• Demonstrates excellent job performance in productivity, quality, safety, and attendance
• Demonstrates a commitment to a culture of safety
Successful candidates will be required to pass a post offer, pre-employment drug screen and background check. Qualified applicants with criminal histories will be considered in a manner consistent with all applicable local, state and federal laws.
