**Department:** Reds Community Fund (RCF)

**Job Title:** RCF Split-the-Pot Volunteer

**Reports To:** Fundraising and Operations Coordinator, RCF

**FLSA:** Volunteer/Not Paid

**Term:** April 1, 2016 – October 1, 2016 ON A PER GAME BASIS

**Commitment:** 3-4 hours per game

**General Overview:** This is strictly a non-paid volunteer opportunity: The Reds Community Fund is the non-profit leg of the Cincinnati Reds. Our mission is improving the lives of youth by leveraging the tradition of the Cincinnati Reds and the game of baseball. Our Split-the-Pot fundraiser is the top fundraiser for our department.

The fundraiser takes place at all 81 home games so there are a ton of opportunities to help out. Split-the-Pot volunteering involves canvassing Great American Ballpark to promote and sell 50/50 raffle tickets. You will sell tickets from the time the gates open until the beginning of the seventh inning. Upon completion of their shift, volunteers are given a meal voucher for a hot dog, chips, and drink, and are able to watch the remainder of the game.

This is a wonderful experience for clubs and individuals with an interest in working in the sporting industry to get to know the people within the organization.
