**AutoCAD Drafting Technician**

**Seig Surveying Inc.** - Our Company is a fast growing, full service land surveying/civil engineering company located in St. Leon Indiana that is dedicated to providing high-level professional services to our clients and has an immediate opening for a Drafting Technician. Surveying services include boundary and topographic surveys, construction stake-out, subdivisions, mapping and ALTA/ACSM Land Title Surveys and more. This is a full time position with an expected workload to be 40 hours a week (overtime may be required from time to time to meet project deadlines). Our ideal candidate will be competent in preparing civil site and infrastructure plans with AutoCAD Civil 3D in version 2015. Requirements include:

- Responsibilities include: engineering tasks related to civil work, AutoCAD drawing for streets, storm sewers, and utilities, AutoCAD drawings for ALTA surveys, construction surveys, and plat surveys. AutoCAD experience required;
- Must be self-motivated and have the ability to work effectively in a team environment
- Valid Drivers License
- Able to go the field if needed (Walk over rugged areas, lift up to 40 lbs).
- Require little supervision, have strong communication skills and the ability to quickly adopt to company standards;
- Minimum of 2 years of CAD experience.
- Range of pay depends on knowledge of AutoCAD and/or land surveying requirements. (Starting wage of $13.00 but experience can adjust starting wage to increase.)
- For more information please contact Rita Seig -812-623-6700. Send Resume to ritaseig@seigsurveying.com

Seig Surveying is located at 28208 State Route 1, Suite 106, West Harrison, IN 47060. 812-623-6700.
